

Compilers

CMPT 432

– Lab 4

Goals	Symbol Tables and you (and your compiler): a recipe for health and (compiler) happiness.
Notes	You're going to need a symbol table in order to check scope and type later on. Let's start now.
Resources	<i>Crafting a Compiler</i> <ul style="list-style-type: none">• Read chapters 8.1-8.3• Do exercises 8.1 and 8.3 <i>Dragon</i> <ul style="list-style-type: none">• Read chapter 2.7
Submitting	Commit a PDF of your work to your GitHub repository and I'll take a look at it.
